Dear Parents and Guardians

End of Year Report

Hopefully through reading this letter, you have been given your child's Fir Tree end of year report, perhaps their first ever school report. The DfE have removed the obligation on schools to report on attendance this year owing to the unprecedented circumstances, therefore although we would normally include this, this information has not been provided within the report.

We value your feedback on your child's progress this year. We have created an online survey to enable you to submit your comments. You will find this at the link below:

This letter will appear on the school website in the 'Letters' section, and we will also send you the link via the school text and email communication system, meaning that you will be able to access the above link directly.

Yours sincerely

Mrs L Wood
Associate Headteacher
