

Sports premium and PE at Fir Tree School 2018-19

What is the Primary 'Sport Premium'?

The primary 'sport premium' funding for primary schools has been designed to help schools in a variety of ways. Some of the outcomes we hope to meet through the 'sport premium' funding are:

- Increased opportunities for competitive sport
- Improved quality of teaching and learning in Primary Physical Education, including more dynamic exercise in lessons, that caters for all attainment levels, but ensures personal challenge and personal success
- Improvements in the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performances levels they are capable of
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
-

Sports premium and PE Action Plan – Impact Review

2018-19

2018-2019 Fund Allocated: £16,000 (+10 per pupil on roll)

GOALS

- Improving the physical literacy of all pupils with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport
- Increased opportunities for competitive sport
- Improved quality of teaching and learning in Primary Physical Education, including more dynamic exercise in lessons, that caters for all attainment levels, but ensures personal challenge and personal success
- Improvements in the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performances levels they are capable of
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport

Action – what are you going to achieve?	Why do we want to achieve this?	How will this be achieved?	Cost /resource implications	Outcome/Impact/Next steps
<p>1 extra hour of Inclusive PE per week</p>	<p>To increase activity levels across pupils within the school, whilst continuing to develop whole child learning, and traditional sport transition.</p> <p>Children will learn 6 “whole child” holistic teaching cogs focussed around skills including:</p> <ul style="list-style-type: none"> • Personal • Social • Creative • Cognitive • Health & Fitness • Physical. <p>Baseline & final assessments made at the start and end of each 6 week “cog”.</p> <p>Children will transfer these new skills into traditional sports</p>	<p>Use of 36 week Real PE/ 12 week Real GYM scheme of work. Additional sport focussed lessons in line with Real PE scheme of work delivered in 2nd PE hour.</p> <p>This will be ongoing throughout the 2018-19 academic year and progression can be reviewed in term 6.</p>	<p>N/A – 1 year free trial</p> <p>Hard resources already purchased, online resources now purchased (Jasmine learning platform) through West Berks School Network and will be a visual aid for children during lessons.</p>	<p>All pupils at Fir Tree have been timetabled and accessed 36 hours of Real PE and 12 weeks of gym through be timetabled at least 2 hours of PE weekly this academic year. Sessions were delivered by the Sports Coach and enrichment and further disciplines have been delivered by external coaches such as cricket and multi-skills.</p> <p>Pupils positivity about PE and engagement has increased and this is evidenced with the pupil surveys carried out in November 2018 and July 2019. Pupils have an understanding of the 6 cogs and now need to build upon the further and transfer into other areas of the curriculum.</p>
<p>Further exposure to sports/physical activities by utilising credit system with WBSN</p>	<p>To promote an ongoing healthy lifestyle in PE& sport to children</p>	<p>Children will receive further specialist training over a 6 week programme</p> <p>Coaching will take place in terms 3-6</p> <ul style="list-style-type: none"> • Cricket, tennis & outdoor adventure activity coaches during the academic year. • Fit4Youth to deliver healthy lifestyles programme 	<p>Affiliation Fee: £3,480.00</p> <p>Credit Fees: £450.00</p> <p>Total: £3930.00</p>	<p>Engagement with external specialists has taken place throughout the academic year and all classes have accessed a specific programme or discipline to broaden their experience to other sports and physical activities. As a result, some of the disciplines will be running as enrichment clubs next academic year e.g. dance, cricket, multi-skills and netball. This has also supported pupils to develop positive perceptions to sports and healthy lifestyles.</p>

<p>“REAL Leaders “ Leadership & coaching programme taught to year 6 by RN</p>	<p>To promote life long leadership skills to children</p>	<p>By children investing in a 6 week learning programme in order to be able to deliver a PE session independently to KS1</p> <p>Training for RN to take place in term 2, with delivery by children in term 5-6.</p> <p>Y6 Children will be tasked with planning and delivering a sporting event to year 1 and/or 2.</p>	<p>N/a</p> <p>Previously purchased awaiting course confirmation</p>	<p>This was started in September 2018 and training was implemented by the Sports Coach (RN) during term 2. Year 6 pupils were made Sports Ambassadors. However due to staffing mobility and changes from Easter 2019 pupils have not been able to implement their training in more formal lessons and deliver sporting events. Therefore this needs to carry over in 2019/20.</p>
<p>REAL PE training for STAFF</p>	<p>To upskill staff in their confidence and delivery of physical education</p>	<p>Inset to aid staff in their knowledge of our inclusive REAL PE scheme of work</p> <p>Inset/training to be scheduled in after Christmas in term 3-4</p>	<p>n/a Already Paid</p>	<p>By introducing a new PE timetable in 2018/19 this enabled more opportunities for team teaching for class teachers with the Sports Coach. RN also spent time with staff in EYFS and KS1, as well as the new Sports Lead to engage with and use the REAL PE SOW and lead lessons, evaluating accordingly. However due to staffing mobility and changes from Easter 2019 the wider staff did not access further training or an INSET. Therefore this needs to carry over in 2019/20 – a REAL PE INSET is already booked for October 2019.</p>
<p>Resurfacing of MUGA</p>	<p>To provide children with a safe environment and surface in order to be able to explore their learning and provide all year round outdoor learning</p>	<p>Timetabled for lessons, break, lunch, and clubs to provide all children with maximum opportunity</p>	<p>£25,000</p>	<p>Children have had the opportunity to take part in a variety of sports and physical games throughout the school day, in a safe learning environment through the resurfacing of the MUGA all year round.</p>
<p>Fit4Youth to deliver healthy lifestyles programme</p>	<p>To continue to promote healthy lifestyles across the school with new classroom activities to support PE.</p>	<p>Fit4Youth will run 2 x 6 week units of work with children in KS2 with a focus around nutrition and wellbeing</p>	<p>Included with WBSN affiliation</p>	<p>Fit4Youth programme was delivered to Years 3 and 5 this academic year and was received very well. Children have considered a healthier lifestyle and making healthier choices and understand the impact that this has on their health and well being. Fit4Youth provided a school with an impact report after sessions were delivered.</p>

<p>Swimming – extra support</p>	<p>Extra 6 lessons for children in order to help them reach the required level (25m swim)</p>	<p>Children will receive higher quality tuition at Kennet swimming pool</p>	<p>£330</p>	<p>Swimming this academic year was re-organised so that KS2 Classes were taught separately so they could access personalised teaching; this proved very effective and they had longer in the pool; to develop their skills as a result. During Term 6 the 10 pupils who had not reached 25m received further top up swimming sessions at a different location with bespoke teaching. 50% passed. However the perceptions and water confidence of all improved immensely and as a result Fir Tree will continue to conduct all swimming sessions from Kennet going forward.</p>
